Good Morning All,

SEBI has introduced the Cybersecurity and Cyber Resilience Framework (CSCRF) § for SEBI Registered Entities (REs). This framework aims to ensure that SEBI RE's maintain a strong cybersecurity posture, implement effective resiliency measures, and are equipped to effectively withstand, respond to, and recover from cyber threats.

To support the **preparation of an FAQ on the CSCRF Circular**, we invite your queries, feedback, and inputs through the link below. Your support will help us engage with the regulator and include relevant clarifications in the FAQ.
