Dear APMI Members,

As you are aware, the Securities and Exchange Board of India released a Consultation Paper on the review of Portfolio Management Services (PMS) Regulations, inviting feedback from stakeholders across the industry. Given the significance of the proposed changes and their potential impact on the PMS ecosystem, the Association of Portfolio Managers in India is organizing a **Compliance Sutra** session to facilitate a detailed discussion on the paper.

The session will aim to:

- Highlight potential implications for Portfolio Managers.
- Enable members to share their views, concerns, and suggestions.
- Request the Industry in forming a considered and consolidated response.
